About the Institute

The Institute of Chartered Shipbrokers is the professional body for all members of the commercial shipping industry worldwide. The Institute was founded in 1911 and awarded a Royal Charter in 1920. The Institute sets and examines the syllabus for membership, providing the shipping industry with highly qualified professionals. We have 25 branches in key locations and 4,000 individual Members and Fellows. Members of the Institute are committed to maintaining the highest professional standards across the shipping industry and part of a professional body, members enjoy the benefits of an enhanced career in the shipping industry.

About Maritime UK

Maritime UK brings together the UK's shipping, ports, services, engineering and leisure marine industries to drive growth by promoting the sector, influencing government and fostering collaboration. The maritime sector is the fundamental enabler of British global trade and exports its own innovative products and services. With cutting edge technology, high quality design and manufacturing, unparalleled expertise in services and major investment opportunities, the UK is the natural home for global maritime business.

About the role

The Institute of Chartered Shipbrokers is currently offering an 18 month placement for a maritime graduate who wants to develop their career in communications and marketing within the shipping industry, by starting out in the head office of the Institute of Chartered Shipbrokers, based in London. (The role will also cover time spent on key projects of Maritime UK).

This opportunity is an 18 month training programme, focusing on external facing projects. Although the role will be based in London, you will have the opportunity to visit some branches to develop a full understanding of the Institute.

This is a broad role which will allow you to gain a range of skills and experience; for some areas of the role will be to develop an internship programme for companies, work on video animations for students, visit some of our international branches, be part of the editorial board for our books and act as the voice for students within our management team. This is a great opportunity for a keen and ambitious candidate to start of their career in the commercial shipping industry

Skills and qualifications required

- Some maritime background (work experience or qualification)
- Good administration skills with attention to detail
- Able to prioritise tasks and work to deadlines
- Strong communication skills
- Able to use own initiative and develop ideas with the team
- Possess the ability to work productively, efficiently and effectively with attention to detail and quality
- Good knowledge of IT, MS Office applications – Outlook and Excel

Additional Information

For this role the Institute of Chartered Shipbrokers are unable to sponsor work visas therefore ONLY candidates with the right to work in the UK will be considered.
